Employment Policy

Employment and Staffing

Policy Statement

We provide a staffing ratio in line with the Welfare requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality.

Our staff are appropriately qualified and we carry out checks for criminal and other records through the Criminal Records Bureau in accordance with statutory requirements.

Procedures

Ratios

- To meet this aim we use the following ratios of adult to children:
 - children under two years of age: 1 adult: 3 children;
 - children aged two years of age: 1 adult: 4 children; and
 - children aged three to seven years of age: 1 adult: 8 children.
- A minimum of two staff/adults are on duty at any one time.
- We use a key person approach to ensure that each child has a named member of staff with whom to form a relationship and who plans with parents for the child's well-being and development in the setting.
-

The key person meets regularly with the family for discussion and consultation on their child's progress.

- We hold regular staff meetings to undertake curriculum planning and to discuss children's progress, their achievements and any difficulties that may arise from time to time.

Vetting and staff selection

- We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection.
- We welcome applications from all sections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of marital status, age, gender, culture, religious belief, ethnic origin or sexual orientation. Applicants will not be placed at a disadvantage by our imposing conditions or requirements that are not justifiable.
- We use Ofsted guidance on obtaining references and enhanced criminal record checks through the Criminal Records Bureau for staff and volunteers who will have unsupervised access to children. This is in accordance with requirements under the Safeguarding Vulnerable Groups Act 2006 for the vetting and barring scheme.
- We keep all records relating to employment of staff and volunteers, in particular those demonstrating that checks have been done, including the date and number of the enhanced CRB check.

Student placements

Policy Statement

This setting recognises that qualifications and training make an important contribution to the quality of the care and education provided by early year's settings. As part of our commitment to quality, we offer placements to students undertaking early year's qualifications and training. We also offer placements for school pupils on work experience.

We aim to provide for students on placement with us experiences that contribute to the successful completion of their studies and that provide examples of quality practice in early years care and education.

Procedures

- We require students on qualification courses to meet the 'suitable person' requirements of Ofsted and have CRB checks carried out.
- We require schools placing students under the age of 17 years with the setting to vouch for their good character.
- We supervise students under the age of 17 years at all times and do not allow them to have unsupervised access to children.
- Students undertaking qualification courses who are placed in our setting on a short term basis are not counted in our staffing ratios.
- Trainee staff employed by the setting may be included in the ratios if they are deemed competent.
- We take out employers' liability insurance and public liability insurance, which covers both trainees and voluntary helpers.
- We require students to keep to our confidentiality policy.
- We co-operate with students' tutors in order to help students to fulfil the requirements of their course of study.
- We provide students, at the first session of their placement, with a short induction on how our setting is managed, how our sessions are organised and our policies and procedures.
- We communicate a positive message to students about the value of qualifications and training.
- We make the needs of the children paramount by not admitting students in numbers that hinder the essential work of the setting
- We ensure that trainees and students placed with us are engaged in bona fide early years training, which provides the necessary background understanding of children's development and activities.
